Penrith Auction Mart
21 January 2018

The **three breed societies** for Herdwicks, Swaledale and Rough Fells invite you to an event at **Penrith Auction Mart** from **11am** on Sunday 21 January 2018. This event will run alongside their **Winter Sale** with shows of sheep at 11.30am and sale at 1pm.

We would like to give farmers the opportunity to talk to a wide variety of **relevant organisations** and opinion formers. **MPs, media contacts** and a number of other **public agencies and organisations** related to farming will be attending. There will be **stands and short films** about Cumbrian farming. After the sale there will be a chance to take part in a brief **presentation and discussion session**.

Please come along and get involved. We all need our voices heard!
