Dear Viv

Please find attached the response from the former Secretary of State for the Environment and Rural Affairs to the letter that I wrote on your behalf with regard to problems with the Basic Payment Scheme.

The response clearly does not echo the experience of many farmers in the South Lakes area or answer the questions raised, so I have written to the new Secretary of State for DEFRA to ask for a further response. I will write again when I have received a reply from her.

With best wishes

Yours sincerely
